Many are the names of God, and infinite the forms that lead us to know Him. In whatsoever name or form you desire to call Him, in that very form and name you will see Him. Lovers of God do not belong to any caste.

- Bhagawan Sri Ramakrishna

I am the mother of the wicked, as I am the mother of the virtuous. Never fear. Whenever you are in distress, say to yourself, 'I have a mother. I tell you one thing. If you want peace of mind, do not find fault with others. Rather learn to see your own faults. Learn to make the whole world your own. No one is a stranger, my child; this whole world is your own.

- Holy Mother Sri Sarada Devi

The great secret of true success, of true happiness, is this: the man or woman who asks for no return, the perfectly unselfish person, is the most successful. We are what our thoughts have made us; so take care about what you think. Words are secondary. Thoughts live; they travel far.

- Swami Vivekananda
